

MPR

Folding handle with recessed tray
and return spring

ELESA Original design

technical informations

Material

Glass-fibre reinforced polyamide based (PA) technopolymer. Resistant to solvents, oils, greases and other chemical agents.

Colour

Black, matte finish.

Rotation pin and return springs

AISI 303 stainless steel pin, AISI 302 stainless steel springs.

Standard execution

Pass-through holes for M4 countersunk-head screws (not supplied).

Technical data

The lifting resistance (F1) and tensile strength (F2) values reported in the table are the result of permanent deformation by means of the appropriate dynamometric equipment under the test conditions shown in the figure with ambient temperature.

Assembly instructions

Drill holes in the sheet according to the drilling template reported in the table.
